**SHARE BUY-BACK STATEMENT
IN RELATION TO
PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY**

HOHUP[®]

HO HUP CONSTRUCTION COMPANY BERHAD

[197301000497 (14034-W)]

(Incorporated in Malaysia)

SHARE BUY-BACK STATEMENT IN RELATION TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY FOR THE COMPANY TO PURCHASE ITS OWN SHARES OF UP TO TEN PERCENT (10%) OF THE TOTAL NUMBER OF ISSUED SHARES OF THE COMPANY

1.0 INTRODUCTION

At the 46th AGM of Ho Hup held on 22 July 2020, the Company had obtained its shareholders' approval for Ho Hup to purchase up to 10% of the total number of issued shares of the Company at any point of time through Bursa Securities. The aforesaid approval shall in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming 47th AGM unless the authority is renewed at the forthcoming 47th AGM.

On 23 April 2021, the Board announced to Bursa Securities that Ho Hup is proposing to seek our shareholders' approval for the Proposed Renewal of Share Buy-Back Authority at the forthcoming 47th AGM of our Company.

The purpose of this Statement is to provide you with the details of the Proposed Renewal of Share Buy-Back Authority and to seek your approval for the Ordinary Resolution pertaining to the Proposed Renewal of Share Buy-Back Authority to be tabled at the forthcoming 47th AGM of our Company. The Notice of 47th AGM together with the Form of Proxy are enclosed in the Annual Report 2020, which is being sent to you together with this Statement.

SHAREHOLDERS OF HO HUP ARE ADVISED TO READ THE CONTENTS OF THIS STATEMENT CAREFULLY BEFORE VOTING ON THE RESOLUTION PERTAINING TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY AT THE FORTHCOMING 47TH AGM.

2.0 DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Board proposes to seek your approval for the renewal of authority for our Company to purchase up to ten percent (10%) of our Company's total number of issued Shares at any point of time within the time period stated in Section 2.3 of this Statement. Such purchase is subject to compliance with the provisions of the Act and any prevailing laws, rules, regulations, guidelines and requirements issued by the relevant authorities at the time of purchase.

2.1 Maximum number or percentage of Ho Hup Shares to be acquired

As at the LPD, Ho Hup has a total of 494,860,696 Shares. Pursuant to the Proposed Renewal of Share Buy-Back Authority, Ho Hup may purchase up to 49,486,069 Ho Hup Shares, representing up to 10% of its total number of issued Shares as at the LPD.

2.2 Maximum amount of funds to be allocated and the source of funds

Paragraph 12.10(1) of the Listing Requirements stipulates that the Proposed Renewal of Share Buy-Back Authority must be made wholly out of retained profits of our Company. Accordingly, the maximum funds to be allocated by our Company for the Proposed Renewal of Share Buy-Back Authority shall not exceed the total retained profits of our Company at the time of purchase.

Based on the latest audited financial statements of Ho Hup for the FYE 31 December 2020, the retained profits of our Company stood at approximately RM 86,469,000.

Notwithstanding the above, the Proposed Renewal of Share Buy-Back Authority may be funded using the internally generated funds of Ho Hup and/or external borrowings, the exact proportion/quantum of which has yet to be determined at this juncture. The source of funding for the Proposed Renewal of Share Buy-Back Authority will only be determined at a later stage depending on, amongst others, the availability of internally generated funds, the retained profits and financial resources of our Company at the time of the purchase(s), the actual number of Ho Hup Shares to be purchased and other relevant cost factors.

The actual number of Ho Hup Shares to be purchased and the timing of such purchases will depend on, amongst others, the market conditions and sentiments of the stock market as well as the retained profits and the financial resources available to Ho Hup.

2.3 Duration of the Proposed Renewal of Share Buy-Back Authority

The Proposed Renewal of Share Buy-Back Authority, if approved by the shareholders of Ho Hup at the forthcoming 47th AGM, will be effective immediately from the passing of the ordinary resolution for the Proposed Renewal of Share Buy-Back Authority and shall continue to be in force until:

- (i) the conclusion of the next AGM at which time the said authority shall lapse unless by an ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions; or
- (ii) the expiration of the period within which the next AGM is required by law to be held; or
- (iii) the authority is revoked or varied by an ordinary resolution passed by the shareholders in general meeting,

whichever occurs first.

2.4 Treatment of Shares Bought Back

In accordance with Section 127 of the Act, the Directors may, at its absolute discretion, deal with the Ho Hup Shares so purchased in the following manners:

- (a) the shares so purchased may be cancelled; and/or
- (b) the shares so purchased may be retained in treasury for distribution as dividend to the shareholders and/or resold on the market of Bursa Securities and/or subsequently cancelled; and/or
- (c) part of the shares so purchased may be retained as treasury shares with the remainder being cancelled; and/or
- (d) transfer the shares, or any of the shares for the purposes of or under an employees' shares scheme; and/or
- (e) transfer the shares, or any of the shares as purchase consideration; and/or
- (f) deal with the shares in any other manner as may be permitted by the applicable laws and/or regulations in force from time to time.

Upon each purchases of Shares, an immediate announcement will be made to Bursa Securities in respect of the intention of the Directors whether to cancel the Shares so purchased, retain them as treasury shares or a combination of both. An immediate announcement will also be made to Bursa Securities on any resale, transfer and/or cancellation of treasury shares.

In considering how the Shares so purchased will be dealt with, the Directors will take into consideration, amongst others, factors such as prevailing market price of the Shares, the intrinsic value of the Shares and effects on the earnings and net assets of our Group.

While the purchased Shares are held as treasury shares, the rights attached to them in relation to voting, dividends and participation in other distributions whether cash or otherwise are suspended and the treasury shares shall not be taken into account in calculating the number or percentage of Shares or of a class of Shares in our Company for any purposes including substantial shareholdings, take-overs, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on a resolution at a meeting of members.

2.5 Pricing

Pursuant to the Listing Requirements,

- (i) The Company may only purchase its own Shares on Bursa Securities at a price which is not more than fifteen percent (15%) above the volume weighted average market price ("VWAP") of the Shares for the five (5) market days immediately preceding the date of the purchase(s);
- (ii) The Company may only resell the treasury shares on Bursa Securities or transfer the treasury shares at:
 - (a) a price which is not less than the VWAP of the Shares for the 5 market days immediately preceding the date of the resale or transfer; or
 - (b) a price which is not more than 5% discount to the VWAP of the Shares for the 5 market days immediately preceding the date of the resale or transfer provided that –
 - (aa) the resale or transfer takes place not earlier than 30 days from the date of purchase; and
 - (bb) the resale or transfer price is not less than the cost of purchase of the Shares being resold or transferred.

2.6 Previous purchases, resale and cancellation of treasury shares

As at the LPD, our Company does not hold any treasury shares. Our Company did not purchase any Ho Hup Shares, or resell, transfer or cancel any Shares during the last 12 months preceding the LPD.

2.7 Public shareholding spread

The Proposed Renewal of Share Buy-Back Authority will be carried out in accordance with the prevailing laws at the time of the purchase including compliance with the 25% shareholding spread as required under Paragraph 8.02(1) of the Listing Requirements.

As at the LPD, the public shareholding spread of our Company was 54.85%.

The Board is mindful of the requirement that any purchase of Ho Hup Shares by our Company must not result in the public shareholding spread of Ho Hup falling below 25% of the total number of issued Shares.

3.0 IMPLICATIONS OF THE CODE

Pursuant to the Code, a person or a group of persons acting in concert will be required to make a mandatory general offer if his/their stake(s) in the Company is/are increased to beyond thirty-three percent (33%) of the voting shares of Ho Hup or if his/their existing shareholding(s) is/are more than thirty-three percent (33%) but less than fifty percent (50%) and it exceeds by another two percent (2%) in any six (6) months period. In the event that the share buy-back exercise results in the shareholdings of any of the above parties being affected, the said person or group of persons acting in concert will be obliged to make a mandatory general offer for the remaining Ho Hup Shares not held by him/them. However, an exemption from a mandatory offer obligation may be granted by the Securities Commission Malaysia under the Code, subject to the affected person and the parties acting in concert complying with certain conditions, if the obligation is triggered as a result of action outside their direct participation.

As it is not intended for the Proposed Renewal of Share Buy-Back Authority to trigger the obligation to undertake a mandatory offer under the Code by any of our Company's Substantial Shareholders and/or parties acting in concert with them, the Board will ensure that only such number of Ho Hup Shares are purchased, retained as Treasury Shares, cancelled or distributed such that the Proposed Renewal of Share Buy-Back Authority would not result in triggering any mandatory offer obligation on the part of its Substantial Shareholders and/or parties acting in concert with them. In this connection, the Board will be mindful of the requirements when making any purchase of the Shares pursuant to the Proposed Renewal of Share Buy-Back Authority.

4.0 RATIONALE FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The procurement of the shareholders' approval for the Proposed Renewal of Share Buy-Back Authority would enable our Company to purchase its own Shares as and when appropriate and at market prices which the Board views favourable.

The Proposed Renewal of Share Buy-Back Authority may enable our Company to utilise any of our Company's surplus financial resources, which is not immediately required for other uses, to purchase its own Shares from the open market. The Proposed Renewal of Share Buy-Back Authority is expected to stabilise the supply and demand of the Ho Hup Shares, hence supporting its fundamental value.

If the purchased Shares are subsequently cancelled, the Proposed Renewal of Share Buy-Back Authority may strengthen the EPS. Consequently, long-term investors are expected to enjoy a corresponding increase in the value of your investments in our Company.

The purchased Shares can also be held as treasury shares and resold on Bursa Securities at a higher price therefore realising a potential gain without affecting the total number of issued Share of our Company. Should any treasury shares be distributed as share dividends, this would serve to reward the shareholders of our Company.

The Proposed Renewal of Share Buy-Back Authority is not expected to have any potential material disadvantages to our Company and its shareholders, and it will be implemented only after taking into consideration, amongst others, the financial resources of our Company, and the resultant impact on the shareholders of the our Company.

5.0 POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

5.1 Advantages of the Proposed Renewal of Share Buy-Back Authority

The Proposed Renewal of Share Buy-Back Authority, if implemented, may potentially benefit our Company as follows:

- (a) our Company may be able to stabilise the supply and demand of its Shares in the open market and thereby support its fundamental value and hence, enhance investors' confidence.
- (b) our Company may have an opportunity to realise potential capital gains if the Shares purchased are subsequently being resold at prices higher than the purchase prices on Bursa Securities when share price appreciates in the future.
- (c) When the Shares bought back are kept as treasury shares, the Directors can distribute it as share dividends to reward the shareholders. The Directors may also transfer the shares for the purpose of an Employees' Share Scheme or as purchase consideration.

5.2 Disadvantages of the Proposed Renewal of Share Buy-Back Authority

The Proposed Renewal of Share Buy-Back Authority, if implemented, will reduce the financial resources available for distribution to shareholders of our Company. This may result in our Group having to forego future investment opportunities and/or any income that may be derived

from alternative uses of such funds. However, such decrease in financial resources may be temporary since the Shares purchased can be subsequently resold.

The Board does not expect the Proposed Renewal of Share Buy-Back Authority to result in any material disadvantage to our Company and its shareholders as it will be implemented only after taking into consideration of the financial resources of our Group and of the resultant impact on our Company and our shareholders. The Board, in exercising any decision to purchase any Shares, will be mindful of the interests of our Company, Ho Hup Group and our shareholders.

6.0 EFFECT OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

6.1 Share Capital

On the assumption that the Proposed Renewal of Share Buy-Back Authority is carried out in full and the Ho Hup Shares so purchased are fully cancelled, the effects of the Proposed Renewal of Share Buy-Back Authority are as follows:

	<u>No. of Shares</u>
Total number of issued Shares as at the LPD	494,860,696
Less : Maximum number of Shares that may be purchased and cancelled pursuant to the Proposed Renewal of Share Buy-Back Authority	(49,486,069)
Total number of Shares after the Proposed Renewal of Share Buy-Back Authority	<u>445,374,627</u>

In the event that the Shares purchased pursuant to the Proposed Renewal of Share Buy-Back Authority are retained as treasury shares, the total number of Shares will not be reduced but the rights attaching to the treasury shares as to voting, dividends and participation in other distribution or otherwise will be suspended.

If the Shares purchased pursuant to the Proposed Renewal of Share Buy-Back Authority are re-sold in the open market, the Proposed Renewal of Share Buy-Back Authority will have no effect on the Share Capital of the Company.

6.2 NA per Share and EPS

The effect of the Proposed Renewal of Share Buy-Back Authority on the consolidated NA per Share will depend on the number of Shares purchased, the purchase prices of the Shares, the effective funding costs to finance the purchase of the Shares and the treatment of the Shares so purchased by our Company.

The Proposed Renewal of Share Buy-Back Authority is likely to increase the consolidated NA per Share if the purchase price is less than the consolidated NA per Share at the time of purchase and conversely is likely to decrease the consolidated NA per Share if the purchase price exceeds the consolidated NA per Share at the time of purchase.

Should the Shares purchased under the Proposed Renewal of Share Buy-Back Authority be held as treasury shares and later resold on Bursa Securities, the consolidated NA per Share will increase if our Company realises a gain from the resale, and vice versa. The quantum of the increase will depend on the actual selling prices of the treasury shares and the number of treasury shares resold.

The effects of the Proposed Renewal of Share Buy-Back Authority on the earnings and EPS of our Group are dependent on the purchase prices of the Shares, the number of Shares purchased, effective funding cost and loss in interest income to our Group.

6.3 Working Capital

The Proposed Renewal of Share Buy-Back Authority will reduce the working capital of our Group, the quantum of which will depend on the purchase prices of the Shares and the number of the Shares purchased.

However, the working capital of our Group will increase if the purchased Shares are resold on Bursa Securities. The quantum of the increase will depend on the actual selling prices of the treasury shares and the number of treasury shares resold on Bursa Securities.

6.4 Shareholdings of Directors and Major/Substantial Shareholders

The effects of the Proposed Renewal of Share Buy-Back Authority on the shareholdings of our Company's Directors and Major/Substantial shareholders and persons connected with the Directors and Major/Substantial Shareholders of our Company as at the LPD, assuming the Proposed Renewal of Share Buy-Back Authority is carried out in full, are as follows:-

1.0 DIRECTORS' RESPONSIBILITY STATEMENT

This Statement/Circular has been reviewed and approved by the Directors of Ho Hup and they individually and collectively accept full responsibility for the accuracy of the information contained herein and confirm that, after having made all reasonable enquiries and to the best of their knowledge and belief, there are no other facts the omission of which would make any statement in this Statement/Circular misleading.

2.0 MATERIAL LITIGATION

Save as disclosed below, as at the LPD, to the best knowledge of the Board, neither Ho Hup nor its subsidiaries are engaged in any material litigation, claims or arbitration, either as plaintiff or defendant, which may have a material effect on the financial position or business of Ho Hup Group, and the Board is not aware of any proceedings, pending or threatened, or of any facts likely to give rise to any proceedings which may materially and adversely affect the financial position or business of the Ho Hup Group:

(i) High Court of Malaya at Kuala Lumpur Suit No. WA-22NCC-112-03/2019

By a letter of award dated 28 March 2014, Ho Hup had awarded a building contract to a joint venture between Hj Said Sdn Bhd and Seni Kenanga Sdn Bhd ("Contractors") for the construction and completion of Ho Hup's project located at Bandar Bukit Jalil, Kuala Lumpur ("Project").

On 6 March 2019, Malayan Banking Berhad ("Plaintiff" or "MBB") initiated a civil suit against Ho Hup for outstanding sums owing by the Contractors in relation to a letter of undertaking dated 25 September 2017 ("LU") issued by Ho Hup for a sum of RM10.0 million wherein Ho Hup's obligations under the LU was extinguished with the revocation of the LU on 29 December 2017. Notwithstanding that, Ho Hup had never executed any document with MBB for the loan undertaken by the Contractors.

By a Court Order dated 7 February 2020, the Contractors were subsequently added as 2nd and 3rd defendant respectively. Ho Hup then filed a counterclaim to recover liquidated ascertained damages ("LAD") amounting to RM54.2 million due by the Contractors to Ho Hup as of 31 March 2019 and a further claim of RM14.8 million due by the Contractors as of 31 December 2019 being back charges for work done by Ho Hup to complete the Project arising from the Contractors' failure to do so within the contracted time period together with cost and interest. The matter is fixed for trial from 21 to 23 June 2021.

The solicitors representing Ho Hup are of the opinion that Ho Hup possesses a complete defence and counterclaim because the MBB's claim is predicated on the financial facility given to the Contractors in which Ho Hup is not privy to. The Board is of the opinion that MBB's civil suit will have no financial impact on the earnings and net assets of Ho Hup Group and no operational impact at this juncture.

FURTHER INFORMATION (CONT'D)

Zen Courts Sdn Bhd (“Zen Courts”) had initiated a petition vide the High Court of Malaya at Kuala Lumpur (“KLHC”) against the respondents, namely Bukit Jalil Development Sdn Bhd (“BJDSB”), Ho Hup and Ho Hup Equipment Rental Sdn Bhd (“HHERSB”) alleging Ho Hup and HHERSB had oppressed its rights as a minority shareholder of BJDSB. The KLHC in finding that there was oppression, had ordered the Company to buy out the Zen Courts’ shares in BJDSB. Such shares were to be valued by Ferrier Hodgson MH Sdn Bhd (“FHMH”) who was, by consensus, appointed as the independent valuer on 19 June 2012.

Zen Courts was dissatisfied with the valuation report issued by FHMH on 31 December 2012 (“Valuation Report”) and applied to KLHC for determination of the value of the shares (“Zen Court Application”). Ho Hup, on the other hand, filed an application to fix the value of the shares as recommended in the Valuation Report (“Ho Hup Application”). The KLHC dismissed Zen Court Application and allowed the Ho Hup Application. Zen Courts thereafter appealed to the Court of Appeal but the appeal was dismissed on 19 February 2014 (“Court of Appeal’s Orders”).

Zen Courts subsequently appealed to the Federal Court of Malaysia (“Federal Court”) in relation to the Court of Appeal’s Orders on the point of law and was granted leave on 5 May 2015 (“FC Appeals”). The Federal Court allowed the FC Appeals without answering the leave questions (“FC Order”) on 26 April 2016. The effect of the FC Order is that the Zen Court Application is allowed and the valuation order is set aside. Both the Zen Court Application and Ho Hup Application have been remitted to the KLHC for determination of the value of the buy-out. The KLHC determined the value of the buy-out on 11 July 2019.

Meanwhile, Zen Courts had on 22 August 2016 filed a separate application to the KLHC to restore the previously existing state of affairs of them in BJDSB from Ho Hup pending the determination of the value of the buy-out pursuant to the FC Order (“Restoration Application”). The Restoration Application was dismissed with costs by the KLHC on 27 March 2017. Zen Courts subsequently appealed to the Court of Appeal on 18 April 2017 against such dismissal and the appeal had then been dismissed by the Court of Appeal with costs on 2 August 2017 (“COA Decision”).

In view of the COA Decision, Zen Courts further filed an application in the Federal Court for leave to appeal against the COA Decision to which the same was granted on 4 December 2017. On 11 February 2019, the Federal Court has ordered, by consent of the parties, that the Restoration Application be remitted to the KLHC for hearing and disposal.

The parties had filed several appeals arising from the determination of the value of the buy-out on 11 July 2019 to challenge the valuation of the 30% shares, timing of payment, interest payable and amount payable to the experts determined by the Court. All of the appeals were discontinued pursuant to the consent order dated 24 July 2020 as a result of a settlement agreement dated 22 January 2020 and a supplemental settlement agreement dated 22 July 2020 entered into between the parties to finally resolve the dispute. Ho Hup has fulfilled its financial obligations in accordance with the settlement agreements as of to date.

The Restoration Application together with another application by Zen Courts to issue interrogatories in respect of Ho Hup’s management affairs was subsequently withdrawn on 3 March 2021.

Today, there is no further case pending before the court.

**(iii) High Court of Malaya at Kuala Lumpur Suit No. WA-22NCC-185-05/2020
High Court of Malaya at Ipoh Suit No. AA-22NCC-12-07/2020**

The Jabatan Pengairan dan Saliran (“JPS”) had on 30 November 2016 awarded a contract (“Main Contract”) for the rehabilitation of Sungai Besut estuary at Daerah Besut, Terengganu (“Project”) to DSE Construction Sdn Bhd (“DSE”). DSE subsequently subcontracted a portion of the Project to Ho Hup and eventually onto Kumpulan Liziz Sdn Bhd (“KLSB”) to execute a portion of the Project works (“Subcontracted Works”).

KLSB had obtained, among others, a facility of RM36.0 million from Malayan Banking Berhad (“MBB”) for the Subcontracted Works of which the securities included an assignment of the Contract Proceeds resulting in the flow of the Contract Proceeds to change from JPS to DSE and thence to KLSB’s designated collection account with MBB.

Resultant from KLSB’s default, MBB had on 1 April 2020 initiated a civil suit against KLSB, Liew Ah Kau and Ghazali bin Abdul Halim at Ipoh High Court to claim for an amount of RM148.9 million owing under the facilities it granted to KLSB, one part of which is for the financing of the Subcontracted Works. On 1 July 2020, KLSB issued third party proceeding against Ho Hup, seeking an indemnity for that part of MBB’s

claim concerning the financing of the Subcontracted Works amounting to RM25.3 million, which is unparticularized at present as to how it is computed (“Third Party Proceeding”). The case management is fixed on 7 September 2021. Meanwhile, KLSB has been wound up by an order of the High Court of Kota Kinabalu on 18 November 2020, and liquidator for Kumpulan Liziz Sdn Bhd (wound up) had consented to the solicitor for Kumpulan Liziz Sdn Bhd (wound up) to continue defend the suit by MBB.

MBB had also on 18 May 2020 initiated a civil suit against DSE and Ho Hup (“MBB suit”) at Kuala Lumpur High Court for the following:

- (a) RM30.0 million being the Contract Proceeds to be paid into the account of “Maybank-DSE Construction Sdn Bhd”; or alternatively, RM23.8 million being the Contract Proceeds to be paid into the account of “Maybank-Kumpulan Liziz Sdn Bhd”;
- (b) RM8.7 million being the retention sum and sinking fund from the Contract Proceeds to be paid into the account of “Maybank-Kumpulan Liziz Sdn Bhd”; and
- (c) Interest, cost and such other relief as the Court deems fit.

The MBB suit is fixed for hearing of MBB’s application for interrogatories against DSE and for case management on 18 May 2021. Ho Hup’s solicitors are of the view that Ho Hup (whether in its individual capacity or as partner of the DSE-HHC JV) has a strong defence against both the Third Party Proceeding and the MBB suit because there is no contractual relationship between JPS and DSE-HHC JV / Ho Hup, therefore neither of which can direct the flow of the Contract Proceeds.
